Generally everyone in the community is well and glad to be finding each other again after our various travels throughout the summer. In terms of enjoying summer holidays, Larry is the one who is most 'full of beans' after it all! Little wonder - as he spent his holidays with Murray, Pam and Gregor down in Kilkeel. For those of you who know Larry and know his resistance to being away from home, believe it or not, he wanted to go back the following week! Thomas went to Anfield (football ground) with Matthew, Maureen and Malcolm (the newlyweds) and that was the fulfilment of a lifetime dream! He is also going to the L'Arche U.K. assembly with James in Durham next week, and is greatly excited about that.

Congratulations to Andrew Fraser on his recent engagement to Paula - Andrew we owe you a debt of gratitude over the past few years and we are hoping that we can return it right now in all of our good wishes!!

We also want to wish Pam Hunter well in her retirement and hope that there will be many more holidays with Larry!

Gillian Sinclair is eagerly awaiting the birth of her 3rd baby on September 19th or thereabouts. We'll keep you up-dated in our October newsletter.
